QUICK RECAP

Today, kids at Antioch will continue to learn about the incredible miracles of Jesus. After Jesus fed a huge crowd, he took some time to pray while the disciples got in a boat and started to the other side of the lake. Later that night, a huge storm arose and the disciples were scared. As the sun began to rise, the disciples noticed someone walking towards them on the water. Jesus said, "It is I!". The disciples were unsure, but quickly believed when Jesus invited Peter to walk out to him. When Peter and Jesus got back in the boat, the storm calmed! Everybody worshipped Jesus as their Rescuer.
